Enterprise Test

Trend line is statistically calculated after four or more tests to show the direction the scores are moving.

Goal line represents the student's expected growth path toward the goal.

Star represents the student's current goal.

Intervention line identifies the start date of an intervention program.

Bella's Current Goal

Goal: 538 SS (Moderately Ambitious)

Goal End Date: 1/15/2017

Expected Growth Rate: 4.1 SS/Week

Fluctuation of scores is typical with any test administered multiple times within a short period. Focus on the general direction emerging after multiple administrations of the test rather than on the ups and downs between individual scores.
