

lalilo Building foundational literacy skills

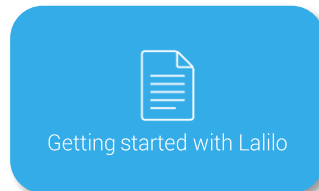

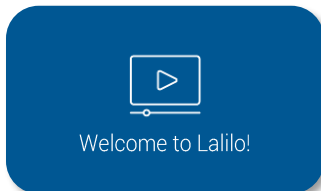

Ensure all students can engage in playful reading practice and assessment that fuels growth in foundational literacy. Use the learning segments below to get started. Once students begin their journey through Lalilo's interactive reading experience, you can get quick insights into their progress through fun exercises that adapt to student responses.

Use the implementation checklist to document completion of tasks from the following learning segments. You'll also find additional resources and support to help you personalize reading practice for your students.

Step 1. Get to know Lalilo

Step 2. Help students and families use Lalilo at home

Step 3. Monitor foundational literacy progress
